## GENERAL INFORMATION

**LOCATION** — The sale will be held in the new modern heated sale pavilion on the Osceola County Fair Grounds just three blocks west of the main intersection in Sibley, Iowa. Sibley is at the junction of highways 9 and 33 and excellent paved and gravel roads run in all directions.

**TIME** — The sale will start at 12:30 p.m. on Tuesday, January 11th, 1949.

**TERMS:** Cash. Settlement to be made with clerk immediately at the conclusion of the sale. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

**GUARANTEE** — The American Shorthorn Breeders' Association standard guarantee shall apply and shall constitute a contract between buyer and seller. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation. Health certificates will be furnished allowing animals to be shipped anywhere.

A certificate of registry and transfer will be furnished with each lot sold and an application for registry will be furnished for all calves sold at foot or in dam.

We will not be responsible for accidents should they occur, but will use every precaution to provide for the safety and comfort of those who attend.

**LUNCH** — The sale barn is only three blocks from the heart of the Sibley business district where ample provision is made for meals. There will also be a lunch room on the grounds.

**MAIL BIDS** — May be sent to Mervin F. Aegerter, Seward, Neb., Clem Larson, Callender, Iowa, J. L. Miller, Corn Belt Dailies, Omaha, Neb., M. V. Boney, Wallace's Farmer, Des Moines, Iowa, or to the auctioneer, J. E. Halsey, Des Moines, Iowa, Box 1317.

**AUCTIONEER** — J. E. Halsey, Des Moines, Iowa.

**PREPAID FREIGHT AGREEMENT** — The American Shorthorn Breeders' Ass'n will prepay the freight up to \$200 on any carload lot of cattle bought in this sale to be shipped to any one point in the United States. Ten lots or more will be considered a carload.

## ANNOUNCEMENT

From a rather small beginning when the first Tri-State Sale was held in 1941 with scarcely more than a half dozen consignors, this sale had made a steady and progressive growth.

From year to year the size and quality of the offering has increased until this event has become of regional importance and a prominent Shorthorn institution.

This year thirty-three consignors from the Tri-State area have selected eighty-seven head of their best cattle to make up this great offering.

The herds represented range from those that have gained top national recognition in leading shows and sales, to those that are making a modest beginning and in many cases made their initial purchases in former Tri-State sales.

As a whole, consignors have made honest efforts to steadily improve their herds by purchasing top animals wherever offered.

We believe that this offering represents as much history making bloodlines having been drawn from the leading Imported Scotch, Canadian and American bloodlines and championship performance as any offering in the country from a like area.

We believe the offering of 52 bulls, 35 of which are strong, rugged, serviceable age bulls ready for heavy service, should have special appeal to the breeder, farmer and ranchman. The 35 females range from three in one combination cows, top show prospects, to dependable bred and open heifers which should be ideal for herd replacements or for beginners.

We, of the Tri-State Shorthorn Breeders' Ass'n, feel that the record of our eight previous sales has set up a standard of quality and a source of supply where the breeder, farmer or ranchman can come to fill his needs in herd bulls or breeding females that will go out and do well for him.

We believe that in this ninth annual sale we have entered cattle of the quality, type and breeding to improve the herds of the Tri-State territory and any other locality into which they may go.

We feel that you can travel any distance without disappointment.

We sincerely hope that you make definite plans for attendance at this sale a certainty. You will be more than pleased.

Albert J. Hamann, Secy-Mgr.

H FANCY BROWNDALÉ BOY—A deep, thick, short-legged, ideal beef-type bull with an exceptionally mellow thick covering of flesh. His breeding has produced some of the very best cattle in the Held Bros. herd. This bull is a tried sire just three years old, sound, gentle, a sure breeder and right in every way. We are keeping all of his heifers which are an outstanding thick, beefy, low-set group of females, and since we cannot maintain two herd bulls this is the only reason for selling him. A load of mixed heifers and steers sired by him out of grade cows topped the Sioux City market last summer. Considering the quality of his get this bull should have further use in some good herd.

**COMET MERCURY**—A short-legged, thick, soggy, well-fleshed, dark red bull by the well-known Edellyn Modoc Mercury whose calves made such a splendid record in the Albert Hamann dispersion sale last January. His dam was probably one of the greatest producers in the Hamann herd. She was the dam of Comet Command, a high selling bull in the 1944 Interstate Sale, selling to Lismore Stock Farm, also the dam of a junior heifer calf that stood third in the 1945 International Congress Show and selling to Hal Williams, Maderia, California, and the dam of Augusta's Gem 2d the top selling female in the Albert Hamann dispersion selling to Ray Wilkinson, Mound City, Missouri, for \$925.00. With such a record for performance back of him, and considering his ideal pedigree, this bull should breed well.

**MERDALE MASTER MERCURY**—A very impressive bull in his rich dark roan color, great depth of body, good quarters, thickness of flesh, straight lines and good head. He is exceptionally well balanced and stands on straight heavy legs. This top son of the great Edellyn Clipper Mercury is probably the best herd bull prospect I have ever offered for sale and could be hard to beat in next season's shows. His dam is the best producing cow in my herd. She produced Browndale Dream, the sire of Charming Princess 4th which was the dam of Merdale Prince Mercury, the bull with which I topped the Hamann-Palmer sale last January for \$2050.00. Merdale Master Mercury is a great individual with the best of breeding that will speak for himself sale day.

**IDOL'S PRINCE**—One of the thickest, deepest bodied calves to be sold this winter. He has a wonderful top, deep bulging quarters, good bully head, and stands on straight, sturdy legs. He is by the good breeding bull Klaymor Idol, a top son of Imp. Aldie Reynoldstown. His dam, Lone Prime Rosewood, has two International grand champions in the top of her pedigree and the fourth sire on the dam's side is the great Avondale. Also the fourth dam in the pedigree is the famous Imp. Rosewood 86th. This bull is a great herd bull prospect with a beautiful pedigree.

LADY MYSIE 31ST—A dark roan heifer with lots of style. Were it not for the fact that we are keeping her full sister she would not be for sale. Her dam is by The Piper, a grandson of Imp. Baronet that sired so many good cattle in the Dewar Bros. herd. Bangs vaccinated selling open.

PRINCE PETER, 1948 Sioux Empire Grand Champion.  
Lots 62, 79 and 81 will carry his service.

**MERDALE PRINCESS**—The heifer that is selling only as a sale attraction. She is a full sister to Merdale Prince Mercury, the bull that topped our last year's sale at \$2050.00 selling to Conover and Son. A princess she is in her beautiful roan color, great depth and thickness of body, straight lines and a good head. Many good cattlemen say she is fully equal to her outstanding brother, Merdale Prince Mercury. A heifer that will further enhance the reputation of her great sire, Edellyn Clipper Mercury that is out of a top producing granddaughter of Browndale Marquis and Browndale Revolution. Calf was vaccinated for Bangs, and selling open.
